It's a world of laughter  
 – A world of tears  
 It's a world of hopes  
 – And a world of fears  
 There's so much that we share  
 – That it's time we're aware  
 It's a small world after all

There is just one moon  
 – And one golden sun  
 And a smile means  
 – Friendship to everyone  
 Though the mountains divide  
 – And the oceans are wide  
 It's a small world after all

It's a small world after all  
 It's a small world after all  
 It's a small world after all  
 It's a small, small world

**One World**  
**One Dream**
